Password

Please fill out this field.

Password hidden:

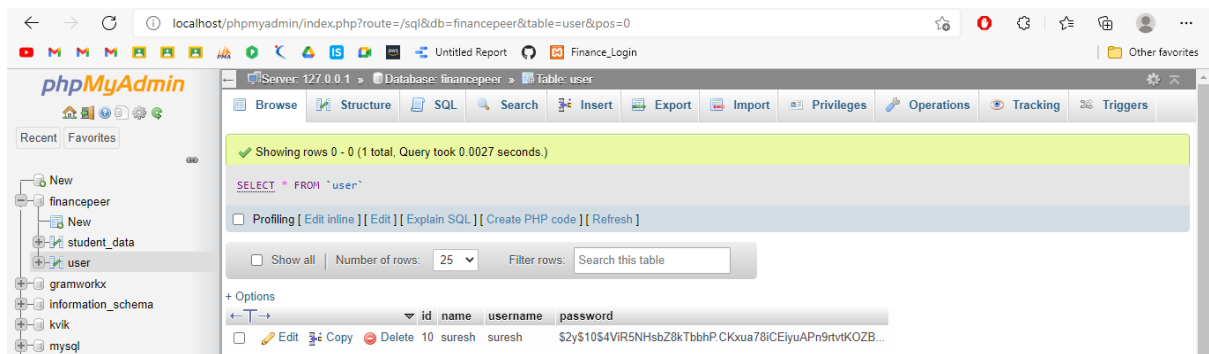

A screenshot of a web browser displaying a registration page. The address bar shows 'localhost/financepeer/registration.php'. The page has a title 'Registration' and a link 'Login?'. The form contains three input fields: 'Name' with the value 'suresh', 'Username' with the value 'suresh', and 'Password' with the value 'suresHt@56'. The password field has a small eye icon to its right, indicating it is hidden. A blue 'Submit' button is located below the password field.

After registering:

A screenshot of a web browser displaying the same registration page after a successful registration. The address bar shows 'localhost/financepeer/registration.php'. The page has a title 'Registration' and a link 'Login?'. Below the title, it says 'Thank you. Registered successfully!'. The form fields are now empty: 'Name', 'Username', and 'Password'. A blue 'Submit' button is still present at the bottom.

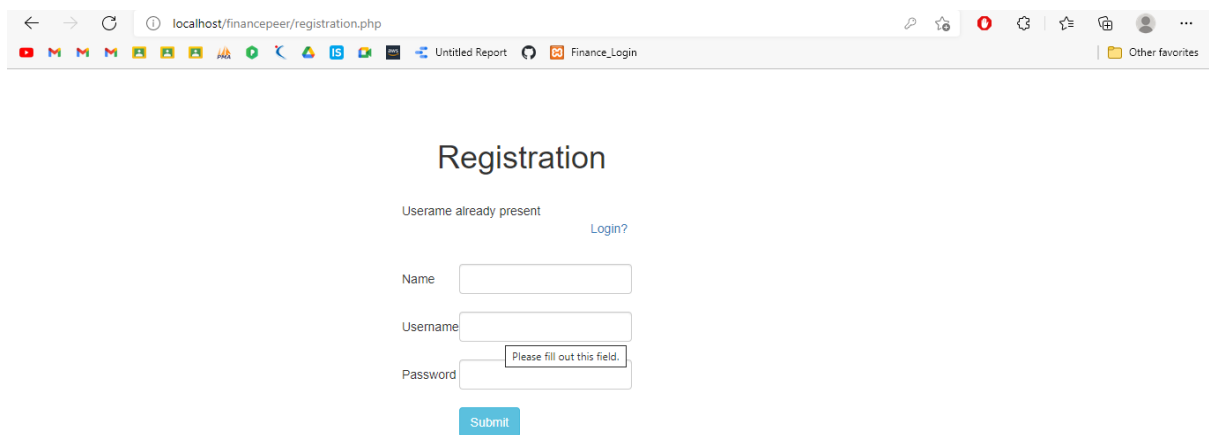

In database:

A screenshot of the phpMyAdmin interface showing the 'user' table in the 'financepeer' database. The table structure is displayed, and the data is shown in a table format. The table has four columns: 'id', 'name', 'username', and 'password'. The data row shows '10', 'suresh', 'suresh', and '\$2y\$10\$4VIR5NHsbZ8kTbbhP:CKxua78iCEiyuAPn9rtvtKOZB...'. The interface includes a sidebar with a tree view of databases and tables, and a top navigation bar with various tools like 'Browse', 'Structure', 'SQL', 'Search', etc.

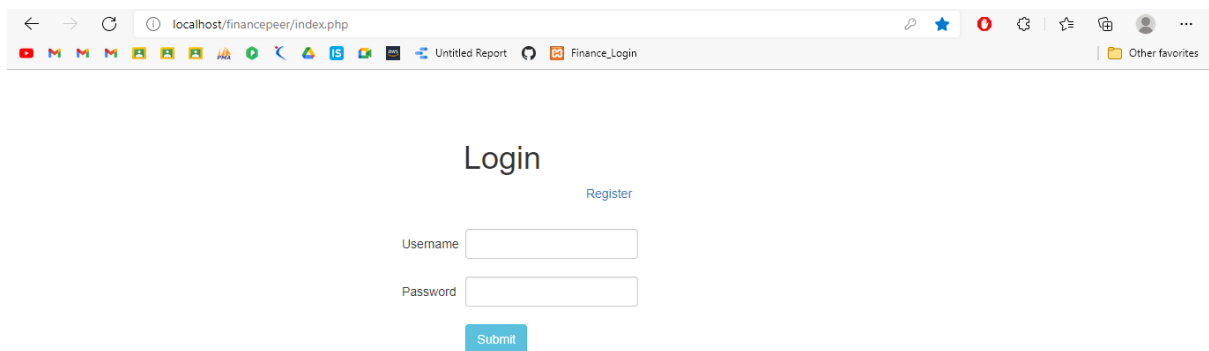

id	name	username	password
10	suresh	suresh	\$2y\$10\$4VIR5NHsbZ8kTbbhP:CKxua78iCEiyuAPn9rtvtKOZB...

If try to register with same username:

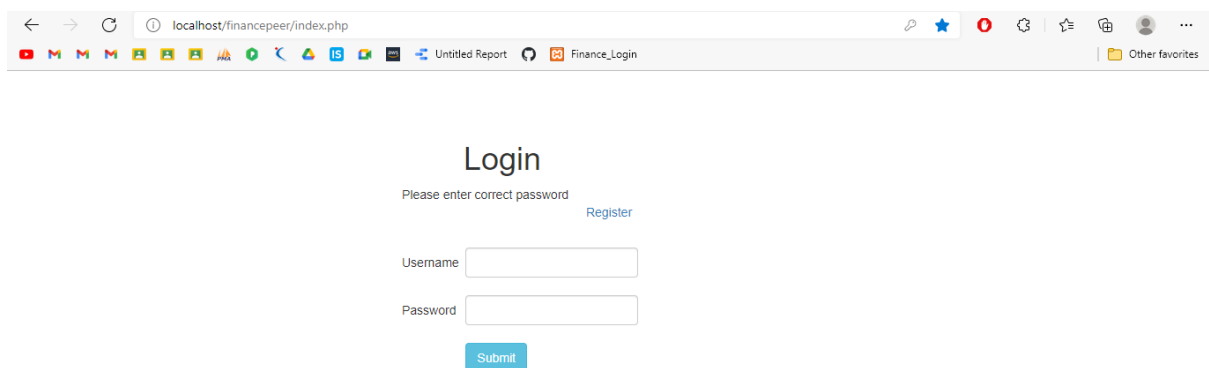

The screenshot shows a web browser window with the address bar displaying `localhost/financepeer/registration.php`. The page title is "Registration". Below the title, there is a message "Username already present" and a link "Login?". The registration form consists of three input fields: "Name", "Username", and "Password". The "Password" field has a tooltip that says "Please fill out this field." and a "Submit" button below it.

Login:

The screenshot shows a web browser window with the address bar displaying `localhost/financepeer/index.php`. The page title is "Login". Below the title, there is a link "Register". The login form consists of two input fields: "Username" and "Password", and a "Submit" button below them.

Invalid Credentials:

The screenshot shows a web browser window with the address bar displaying `localhost/financepeer/index.php`. The page title is "Login". Below the title, there is a message "Please enter correct password" and a link "Register". The login form consists of two input fields: "Username" and "Password", and a "Submit" button below them.
